## California Water Quality Monitoring Council

---

Good morning,

The State Water Board, Office of Information Management and Analysis is hiring an environmental scientist in our Surface Water Ambient Monitoring Program (SWAMP) unit. We are looking for someone that is interested in the protection and restoration of California's watersheds and helping our SWAMP team continue to support and grow our statewide and regional monitoring and assessment programs and projects (e.g., Bioassessment Program).

The job posting is available at --

> <https://www.jobs.ca.gov/CalHrPublic/Jobs/JobPosting.aspx?JobControlId=140002> and **closes on February 6th**.

If you or someone you know may be interested, please apply or share with others. Feel free to contact me with questions about the position.

Thank you!!

Ali
